

EASY, CONVENIENT & JUST THE RIGHT AMOUNT OF WOW!

Introducing the

12" Diameter The Perfect Bow®

Just pull the string and create a perfect bow in seconds. Conveniently tie it to larger packages, bikes, church pews, doors, and so much more ... or ... tie it to The Perfect Bow® Suction Cup (sold separately) for use on any smooth surface including windshields, store windows, and so much more. Bow ships flat and when pulled measures 12" in diameter with 24 loops of 2-3/4" glitter ribbon and 2-11" tails.
